More space, more updates, and more to love! Discover the appeal of 1213 Pershing Drive, where an updated kitchen, significant improvements, and an exceptionally spacious backyard offer a combination of features worth a closer look. The kitchen brings warmth and character with its wood-tone cabinetry, stainless steel appliances, convenient pantry, and dedicated coffee bar. Updated flooring and fixtures complement the interior, while a separate laundry room adds everyday convenience. Major improvements include a new roof (2022), kitchen renovations (2023–2024), a new furnace and central air conditioning, electrical panel and circuit upgrades (2024), and a new water heater (2025). One of the property's biggest highlights awaits outside! The generously sized, fully chain-link-fenced backyard features mature shade trees, a 30-foot dog/cat run, and a large storage shed. Whether it's room for pets, gardening, weekend cookouts, or simply enjoying the outdoors, there's space for it all. The lot also offers potential for a future garage, subject to local requirements. With major updates already completed, thoughtful interior features, and a backyard that offers room to spread out, this home delivers more than meets the eye. Come experience 1213 Pershing Drive for yourself!
