Welcome to a home where space and comfort come together beautifully! The fireplace creates a natural focal point in the living area, adding character and a cozy place to gather. With four bedrooms, three bathrooms, and a finished basement, this home offers just over 3000 square feet of living space and plenty of room to spread out. The additional living space downstairs offers plenty of possibilities, from a game room to a second family room or the perfect spot for movie nights. An attached two car garage and large fenced backyard round out a home with space to enjoy both inside and out. Come take a closer look and discover everything it has to offer!
