Room to spread out starts with this spacious home at 803 Linden Ct. in Wakefield — an extra-large parcel that gives this property space most homes on the block don't have. Inside, an open-concept layout connects the main living areas, making the 2,210 square feet feel even bigger. With 4 bedrooms and 3 bathrooms split across the main floor and basement, plus a 3-car garage, there's plenty of room to fit however you live. The layout works equally well for everyday routines and for entertaining, and that extra lot gives you options — outdoor space, storage, or simply more breathing room. Located just minutes from Milford Lake, you'll have boating, fishing, camping, and recreation practically in your backyard.
